**This Specialty Show was videotaped by
PUREBRED STUDIOS**

We are so excited to have had Purebred Studios back for the 4th year film our Specialty. The DVD's from last year were excellent and so enjoyable to watch. The narration was done by Keith Hansen who did such a fabulous job last year. The entire show set is the same price as last year and includes our awards session at the banquet, interviews with the judges by the President, and of course the entire two day show.

We also filmed the Jean Dodd's Health Seminar at the Specialty and are offering the entire 3 hour session of this valuable seminar at a cost of only \$19.00. The price includes shipping. If you order both the show and the seminar they will be shipped together!
