## President's Message—Judy McNamara

---

Happy New Year! I hope you have had wonderful holidays full of fun and family.

It is not too early to think about our Spring Specialty and also our 3 day Agility event.

It's just peachy in Atlanta, so why not come and join in the fun! Specialty show days are May 4-5 2017.

Join us on Tuesday evening, May 2, for our annual meet and greet in the hospitality suite. On Wednesday morning, we will have our seminar presented by Dr. Carmen Battaglia, and in the afternoon our annual meeting to be followed in the evening by our raffle and awards banquet. We will start on Thursday with Obedience and Rally, proceed to 4-6 puppy, Sweepstakes and Bred by Exhibitor Special Attraction and Parade of Title holders and if that is not enough, the Judges Ed. Seminar will be after all events are over. On Friday, we begin with junior showmanship followed by regular conformation classes. That is a full week of events!

If performance is your bag our BFCA Agility Trial is April 28, 29, 30 at the On the Run Canine Center in Ham Lake, MN. Shirley Hamilton and Rick Macias work very hard and have been very successful at making this an outstanding event for bichon agility fanciers. If you know of any bichons running agility, send their info to Shirley and she will send them information on our event.

The second round ballot for judges selection is enclosed as well as a report of the nominating committee.

Happy dog show trails to all. See you in Atlanta!

Judy McNamara

### APRIL IS COMING

April is right around the corner and our BFCA 4th Annual All-Breed Agility Trial will again be held again this year at On The Run Canine Center in Ham Lake, Minnesota (suburb of Minneapolis) on April 28th, 29th, and 30th. Last year we were fortunate to share our fun event with many of you who were in town for our National Specialty Show. We want to thank all of you who came out to make it such a big success.

As with any dog show or trial it takes a lot of effort on the part of its members to insure a well run and seamless event. Our Twin Cities and surrounding area BFCA members have generously given us their time and talents each year to make this happen, not only to meet the AKC minimum requirement of five members present at all times, but to put together all of the components needed. The one area that is critical is the remaining 30 to 35 volunteers we need each day to fill ring responsibilities (gate stewards, ring stewards, leash runners, scribes, assistant scribes, scribe sheet runners, timers, etc.) Our biggest motivators for getting those volunteers are the excellent lunch we serve them and our volunteer worker raffle. We have the food covered but we are in need of raffle prizes. If you can donate to help us, please contact Shirley Hamilton at 715-259-7513, or at [sjhamelot@me.com](mailto:sjhamelot@me.com). We thank you in advance; your generosity is truly appreciated.

As always, we would love to have you join mknus for our annual trial. We welcome you with open arms to experience the wonder of agility, and see for yourself the bonding that goes on between dog and handler, as well as the culture of sportsmanship and support between participants.

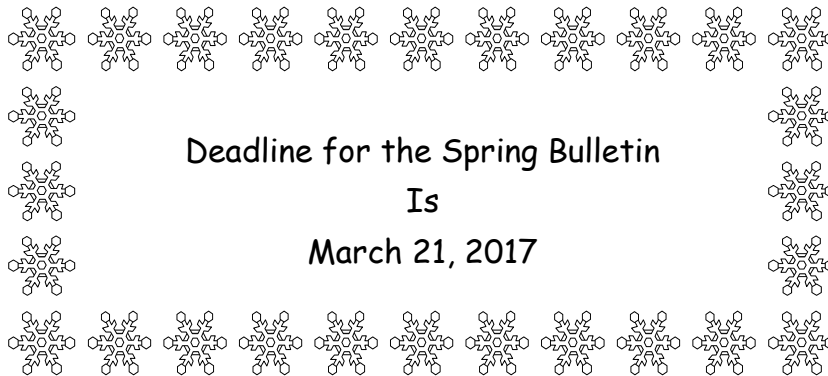

If you would like to get a taste of what an agility trial is all about, tune in to the Westminster Master's Agility Final, on Fox Sports (FS1) Sunday February 11, 2017, starting at 8:00 Eastern time.

## Bulletin

The club is in need of someone to take over doing the bulletin. After 10 years, I have decided to give it up. I have templates that I can pass on to help you if you would like to have them. If you are interested in doing the bulletin for the club, you can email me at [shaunas@swbell.net](mailto:shaunas@swbell.net) or let Judy McNamara know. The Spring Bulletin will be my last to do so we would need someone to start with the Summer Issue.

Deadline for the Spring Bulletin  
Is  
March 21, 2017

## Raffle/Auction

We are only 4 months away from Nationals so it's time to start thinking of donations for the 2017 BFCA Silent Auction/Raffle. We are in need of items to make the silent auction and raffle a super success. Please look through your belongings to see what you would like to donate to make this year's fundraising effort a huge success. New and gently used items are always welcome. Judy Beckham has generously offered to take charge of the raffle/auction this year. If you would be willing to help Judy with the raffle, please let her know. Her email address is [jbupclose237@gmail.com](mailto:jbupclose237@gmail.com).

Est. 2003

Winter 2017

Rescue had another busy quarter. In November, we held our annual pampered chef fundraiser which was very successful. We have this fundraiser every year. So, if you missed out there is always next year.

This quarter started out quite slow for rescues, but really got busy in December. We got 10 dogs turned in during the last couple of weeks. It was difficult finding fosters during this busy time of the year, but we made it through. Another request was sent out via our newsletter and Facebook page for new fosters. Our biggest problem with fosters is with fosters who adopt and then no longer want to take another dog. It's a difficult situation.

We also had a donation drive in December and sold \$400 of Emporium products.

## THE BICHON FRISE CLUB OF GREATER LOS ANGELES

Fall 2016

Submitted by Terry Collings, Interim President  
mtcollings@sbcglobal.net

In addition to our regular BFCGLA meetings, we had a great Bichon Bash for Halloween! Our Bichons really enjoy seeing and playing with each other. (Their wearing Halloween costumes is a little lower on their happiness scale, however!)

In December, the BFCGLA provided holiday-themed trophies for Bichon Frises for two dog shows: Malibu Kennel Club and Shoreline Dog Fanciers Association of Orange County, Inc. at the Orange County Fairgrounds. Our members Ed and Sandy Fair showed their beautiful, winning Bichons and have recently welcomed several puppies: future Bichon champions!

**On a sad note:** It is with deep sorrow and the feeling of great loss, that I share the message that our dear friend and wonderful Bichon Frise mentor passed away October 22, 2016. Marlene Steiner has been "wonder woman" in her quest for life after many health setbacks these past several years. Always an advocate for our dear Bichons, she spent much of her life surrounded by all of her beautiful fur babies. I truly believe that Marlene will be spending lots of time visiting with all of the Bichons up there at the Rainbow Bridge.

## BICHON FRISE CLUB OF SOUTHERN NEW ENGLAND January 2017 BFCA Update

2016/2017 BFCSNE officers & Board: President, Sue Anneser; Vice President, Ginny Humphrey; Corresponding Secretary, Enid Zimble; Treasurer, Karen Chesbro; Recording Secretary, Linda Carlson; Board Members, Nancy Noonan, Gloria DuBois, Gerry Paolillo, Melissa Small, Brenda Wallace and Laurie Zelek.

We hope everyone had a wonderful holiday season. Our club had a busy fall, including our annual picnic, a handling class, club participation in Meet-The-Breeds in Hartford CT, our annual banquet, and new club officer and board selections. Now that it's early 2017, efforts are underway to begin the planning for our annual Specialty to be held again this year on July 8, 2017 at the Eastern States Exposition Fair Grounds, in conjunction with the Farmington Valley Kennel Club.

Our September meeting included an annual outdoor picnic held once again at Sue Anneser's house - with the weather cooperating with another warm sunny day. Gloria DuBois coordinated a wonderful array of food provided by the membership. Additionally, the club held an impromptu raffle, with all items donated by the membership. We had a variety of raffle items - including homemade cakes and pies, bichon jewelry, many other bichon or dog items. Thanks to Nancy Noonan and others for the donations and set-up efforts. Our club also held several additional raffles throughout the year, including small raffles at our meetings, and our annual banquet raffle. Thanks to all our members who participated in our fund-raising efforts. Due to the success of these fund-raisers, the club membership approved another generous donation that was made to BFCA Rescue during the 4<sup>th</sup> quarter 2016. - we are proud to make this donation, and will strive to continue this goal annually going forward.

October and November were busy - we held a fun handling class in October, with Karen Chesbro. We also supported the Meet the Breeds in October as well, with Laurie Zelek coordinating our membership participation. And in November, we held our annual meeting/banquet at the Olive Garden in Enfield CT. Notably, the club's beautiful **Bred By Exhibitor Challenge Trophy**, which was donated by Vogelflight Bichons in memory of Lori Kornfeld, was retired, having been won three times by DoveCote - it was presented to the Hydes. **CONGRATULATIONS!!!**

### AKC Champions and Grand Champions recognized at our annual banquet include:

CH WINDY GLEN CHER AMI THE NAME IS BOND! - "PIERCE" - Ginny Humphrey

## **Looking for a Breeder?**

Naturally, when I have no puppies available, prospective buyers ask me to refer them to other breeders; however, since I don't feel comfortable telling them whether or not another breeder is reputable, I have developed the following document.

**Looking for a Bichon Frise Breeder?** Start by finding breeders in good standing with the Bichon Frise Club of America at <http://bichon.org/breeders/>. Next ask some important questions.

- **What is your health test protocol?** At a minimum both sire and dam should have been tested for hip dysplasia at two years of age, and they should have been tested for patellar luxation and eye disease within six to twelve months of the current breeding. More health tests are desirable. Go to <http://www.ofa.org/search.html?btnSearch=Advanced+Search> to find this information confirmed. After *Part of Name*, enter the kennel name or AKC name of the dog to find out what tests have been performed on that dog. Click on *Vertical Pedigree* at the top of the page to see how many generations have been tested (the more the better).
- **Do your dogs have allergies?** Allergies are a major health problem in Bichons, but unfortunately you can't go online to check this. Ask about dog food, because if it is something unusual it may indicate that their dogs have food sensitivities. When you visit the breeder's kennel, observe the dogs for healthy coats with no signs of scratching.

- **How do you socialize your puppies?** Bichons can grow to be very fearful if they are not regularly exposed to different types/ages of people, riding in the car, new places and experiences, etc., when they are 5-16 weeks of age. All breeders will say that they socialize their puppies. You must ask what they *do* to socialize them.
- **May I come and meet the puppies and their mother?** Before you buy, insist on visiting the home where the pups are being raised. It is important to meet the dam, because her temperament and looks will have a huge impact on the puppies. If the sire is on site check him out also, but many breeders don't keep boys because of the difficulty of having them around intact girls. *Never* meet a breeder in a parking lot or other place to purchase a puppy! This is a sign that the seller is trying to hide something from the buyer. Reputable breeders *want* you to visit so they can see how you and your family relate to the puppies.
- **At what age do you place your puppies?** If puppies are sold too young they often have lifelong socialization problems. They need to be with their littermates and dam for *at least* 8 weeks, and many breeders will not place puppies before 10-12 weeks. Breeders usually hang on to their most promising pups for a while; so don't reject an older puppy.

**Reputable breeders will ask you questions also**, because they want to make sure that their puppies are going to the best possible homes. For information about questions to expect, please go to <http://bichon.org/before-you-buy-puppy/>

**Good luck!** If there is anything I can do to help you, please do not hesitate to contact me.

I have had wonderful response to this, and hope other breeders will want to reach out to the public in similar ways.
