BFCA BULLETIN: The BFCA Bulletin is the official newsletter of the Bichon Frise Club of America, Inc. and is published quarterly. Subscriptions by members of BFCA are paid as a portion of annual membership dues.

President's Message—Judy McNamara

Welcome to fall. Wild weather so far. Hurricane Matthew has the whole southeast coast in a mess.

In this month's issue, be sure to check out the judges nomination ballots. There is a list of people who do not wish to judge. The ballots will also be sent electronically. Also, there is a form to sign up for the breeder's directory.

Now is the time to consider if you would like to be an officer or director of BFCA. There is a form to fill out if you wish to volunteer to serve your club.

The specialty is in Atlanta May 4-5, 2017. Our hotel is the Sheraton Atlanta Airport, 1900 Sullivan Rd., 770-994-2510. There is a free airport pickup. We will be offering the 4-6 puppy class and it will be judged by our own Ann Hearn, so be thinking about what you will bring to show Ann. Regular classes will be judged by Mimi Winkler. Atlanta is a very easy airport to get to so I hope we will have many beautiful fluffs to enjoy at the show.

We are now in prime show season, so I hope you all have many winners' ribbons to bring home.

Officer Reports—Diana McFarlane, Recording Secretary

It has been pretty quiet since the National and we have enjoyed the warm days and nights. But fall is coming and it is time to start thinking of the holidays.

MEMBERSHIP

There were several changes from the dues process. If we did not get address, email or phone changes as a result of the dues process please let me know right away. The Directory still will be posted on our website under **members only** with updates quarterly. A pdf file for those who do not have a computer or email will be sent upon request to:

BICHON FRISE CLUB OF AMERICA CHARITABLE TRUST

Not for profit 501C3

Our Bichon Bash was a great success. It was held on Sunday, September 11 at Bull Run Park in Centreville, VA. We received over \$11,500 in Bash donations. The Bash only had one expense which is the Bull Run Park Site. Everything else was donated. This year we asked our vets to give seminars. We had educational seminars on cataracts, supplements for orthopedic care, vaccines, canine massage with demonstration, grooming demonstration and agility. September 11 was a beautiful day and everyone and every Bichon had a great time.

We sent out a newsletter asking for more fosters. We added 4 more fosters to our list. This past quarter has been slow for Bichons coming into rescue. However, when they do come it's all at once.

On-Line Judges Balloting First Ballot

This is the third year for voting for judges on line. It appears to be a success as 80% of the votes have been on line. You may still vote by mail following the instructions within the Bulletin.

The list of AKC-approved conformation judges are included in both the Bulletin and the On-Line Balloting. A list of ineligible judges (judged the National in the last seven years) are also included in the Bulletin and are noted in the list of judges.. We have also included a list of those members who do not wish to judge Sweepstakes and/or Special Attraction Bred-By Exhibitor. An invitation to vote will be sent to each member either individual or household who has an email address. As a change from last year, only one invitation will be sent but both members can vote.

Check the ineligible list of judges in the Bulletin as they are not removed from the AKC list **before** voting on-line. Enter the name of the judges you select **EXACTLY** as shown on the list. This will aid in being able to quickly tabulate the results. Remember three different names. Not filling one of the blanks is permitted.

BFCA and AMAZON

Our partnership with Amazon is paying off with over \$245 for 2016 for the club--just by using the Amazon Partner link on our website. **BUT we need continued participation by the membership if we want to continue to have fun events at National like our Santa Reception in Minneapolis this year.**

For those of you who haven't used this link, go to the www.bichon.org website under the SHOP menu--and click the link called AMAZON PARTNER. Please bookmark this link for future use. You can also create a shortcut on your desktop when viewing the Amazon website by dragging the Icon at the left end of the Address Bar and dropping it on the Desktop.

Whenever you want to shop at Amazon.com, use this link to start shopping so that the BFCA will get credit. **This is at no cost to you and all purchases are anonymous.**

THE BICHON FRISE CLUB OF GREATER LOS ANGELES

Submitted by Terry Collings, Interim President

Our members and Bichons enjoyed participating in the three-day **Orange County America's PetExpo**, April 2016. Long days, but our pups had lots of doggy kisses to give to thousands of visitors. Members answered many questions about Bichons—care, feeding, behaviors, training, grooming, etc. We've had the pleasure of joining all of the other breed clubs at the **PetExpo** every year for more than 12 years now and are looking forward to participating in next year's event!

We've also had some great regular Bichon Frise Club meetings! (Our Bichons always attend our meetings and really enjoy seeing and playing with each other.) And perhaps our meetings are even more fun because of our Bichon treats? See the Bichon Cupcakes...

News from the Bichon Frisé Club of Northern New Jersey:

For the past several years our club members have represented our wonderful breed at the Meet the Breeds event held in NYC in conjunction with the AKC and the Westminster Kennel Club Dog Show each February. It is an awesome experience to meet so many enthusiastic dog-loving attendees of all ages and share the special qualities of our breed. Every single passerby has a smile on their face as they look at our happy dogs. And they come by the hundreds. It is the perfect venue to share information about our breed as well as our club's Bichon Frisé Rescue efforts. The next event is scheduled for February 11th, 2017.

<http://www.akc.org/meet-the-breeds/>

Our club also hosts a Specialty Show each spring in concurrence with the New Brunswick Kennel Club's March Madness Cluster of Dog Shows. The 2016 show included Sweeps and Conformation Classes in addition to a Parade of Rescues. It was a wonderful addition to the specialty and we plan to include this in future shows. It is a great way to get more entries and spectators. Our next specialty will be held Saturday March 25th, 2017 at the NJ Convention and Exposition Center in Edison, NJ.

Bichon Frise Club of America, Inc
**GUIDELINES AND PROCEDURES FOR
SELECTING 2019 NATIONAL SPECIALTY JUDGES**

FIRST ROUND PROCEDURES

1. A complete list of conformation judges, who are eligible to judge the breed, have been compiled from the AKC's most recent records and are enclosed with this BFCA Fall Bulletin.
2. There is an asterisk preceding the names of those who are either ineligible to judge due to having judged in the past seven (7) years or have been contracted for judging future National Specialties. The asterisk may also denote a judge who has requested to abstain from judging selection.
3. For Sweepstakes there is a list of members who are ineligible to judge due to having judged in the past seven (7) years or have been contracted for judging future National Specialties. The list also contains names from members who may have requested to abstain from judging selection.
4. Please make sure that the individual that you are nominating is currently a member of the BFCA and is willing to be listed for consideration.
5. This First Round Ballot is a "write-in" for your selection of both Conformation, Sweepstakes AND Special Attraction Bred-by Exhibitor Judges.
6. PLEASE FOLLOW THE INSTRUCTIONS CAREFULLY AS ANY ERRORS COULD REMOVE YOUR BALLOT FROM CONSIDERATION.
7. **Deadline for return of this ballot is Wednesday, December 7, 2016 NO EXCEPTIONS.**

SECOND ROUND PROCEDURES

1. The Second Round Ballot will go out in the BFCA Winter Bulletin.
2. From the first round, the top **up to 10** names (including ties), receiving 6 or more nominations will be listed on the Second Round Ballot.
3. These names will be listed alphabetically on this ballot. They WILL NOT be listed in order of popularity.
4. The Second Round Ballot has one column for Conformation, one column for Sweepstakes and one column for Special Attraction Bred-by Exhibitor.
5. You will be given the opportunity to vote for three judges, in order of preference. This is a weighted ballot. This means that the votes will count as follows: Three (3) points for your first place vote, two (2) points for your second place vote and one (1) point for your third place vote.
6. PLEASE FOLLOW THE INSTRUCTIONS CAREFULLY AS ANY ERRORS COULD REMOVE YOUR BALLOT FROM CONSIDERATION.
7. Deadline for return of this ballot will be posted on the ballot.

THIRD ROUND PROCEDURES

1. The Third Round Ballot will go out in the BFCA Spring Business Bulletin.
2. The top three names from the Second Round Ballot will be listed on this ballot in alphabetical order.
3. Members shall vote for ONE ONLY! That is one (1) for Conformation and (1) for Sweepstakes and (1) for Special Attraction Bred-by Exhibitor.
4. PLEASE FOLLOW THE INSTRUCTIONS CAREFULLY AS ANY ERRORS COULD REMOVE YOUR BALLOT FROM CONSIDERATION.
5. Deadline for return of this ballot will be posted on the ballot and may require you to decide and vote quickly in order to have a result prior to the upcoming Board Meeting.

PLEASE NOTE: In the event of a tie for the final selection resulting from the voting on the Third Round Ballot, the Recording Secretary shall contact both judges to determine availability, fees and other appropriate information, and the tie shall be broken by the Board after reviewing this information.

WHAT QUALITIES ARE DESIRABLE IN A NATIONAL SPECIALTY JUDGE?

The balloting begins with this issue of the BULLETIN to select judges. We expect many visitors to attend our specialty and we need to provide judges who are especially knowledgeable about our breed. You are urged to take special care in your nominations.

To assist you in making your nominations, the Board offers the following suggestions on what to look for in a specialty judge. Most of these criteria are obvious, but a reminder never hurts.

1. The primary requirement is a thorough knowledge of the breed standard. This goes beyond being able to quote from the standard. The judge should have proven his/her understanding by consistent placement of quality dogs. Do I understand the selections, even when my dog is not the winner?
2. The chosen judges should be able to sort out large classes efficiently and quickly while giving each entry equal time. A specialty is not the time to have to tediously work out who is to be third place and who is to be fourth place. Consider the following:
 - a. Am I frustrated and bored watching this judge make decisions?
 - b. Does this judge tend to run behind schedule?
3. Has this judge had enough experience in Judging Bichons for me to know the answers to the questions above?
4. To further sort through a list of capable judges, you may look to the finer points of judging to help you decide who makes our list of nominees. You will need to focus on what seems to be of important to this judge, regardless of the breed being considered.
 - a. Does this judge look first for showmanship? Type? Movement? Overall soundness? Males over females or vice-versa?
 - b. Other than personal disappointments, have I generally agreed with the final selections?
 - c. If your nominee is from another country, do his decisions reflect the American standard - or have you observed his judging enough to know the answers to these questions?

Now you should be able to make your nominations. These same criteria will apply in each stage of judge selection.

May the best judge(s) emerge by the end of the balloting.

BFCA BREEDERS DIRECTORY AND INFORMATION SOURCE SIGNUP SHEET

The listing renewal deadline for the **2017 Breeders Directory**
signup is **December 15, 2016**

Renewal payments received after the deadline will cost **\$60** (\$50 plus a \$10 late fee). **New breeder listings** posted during 2017 will be **\$50**. New listings can only be accepted from BFCA members. The listings appear on the internet web site <http://bichon.org/breeders/> and your information will also be published in printed format for those without internet access.

Your signup includes your agreement to (1) Follow the [BFCA Conduct Guidelines \(http://bichon.org/conduct-guidelines/\)](http://bichon.org/conduct-guidelines/) and (2) help out those that may call you, by providing information to interested parties even if you will not have any puppies to place this year.

You further agree to return inquiry calls in a timely fashion. It is very important that you take the time to answer puppy buyers' questions. As we all know, many inquiries come from potential buyers whose homes and circumstances are not correct for this breed. Your patient responses can eventually lead those future pet owners to select a breed that is more suitable for their lifestyle.

Those individuals that are calling and might make great Bichon owners deserve our time. You may wish to direct all future Bichon owners to the BFCA web site for potential puppy buyers to read the article titled "Before You Buy Your Puppy" (<http://bichon.org/before-you-buy-puppy/>) they purchase their new puppy. You may also need to help callers with Bichons that they presently own, regardless of the source from which they obtained their pet. As a representative of BFCA, please help them with their questions and refer them to the BFCA web site <http://www.bichon.org/> or BFCA Health Web Site <http://www.bichonhealth.org/>.
