Boutique and Supplies

The Bichon Frise Club of America, Inc. is dedicated to improving the health of Bichons across the world. To that end, we have supported research projects of particular interest to Bichon owners and which require us to raise funds. To date we have spent over \$37,000, most of which was doubled by the AKC Canine Health Foundation. In order to receive matching funds from them, we have to be able to provide our portion. To provide our part, we must raise money! Our club is small, with fewer than 300 members. This is one place where YOU, a Bichon lover, can help us and, in turn, obtain a delightful item featuring Bichons. We encourage you to purchase one or more of these great products which will make super gifts, lovely mementoes or terrific wearing apparel.

Online orders are accepted for shipments to U.S. destinations. If you need an item shipped outside the U.S. or if you prefer not to order online, please use our [Order Form](#) and follow the instructions on the form. Checks and online payments must be made with U.S. Funds, and payable to BFCA. [Shipping Charges](#) are based on the amount of the entire order and are shipped via U.S. Postal Service. Please [email Kathleen Loynachan](#) or call her at 641-862-3274 (after 6 pm Central Time) if you have questions about items, availability or shipping outside the U.S.
