

# CHIC Report Second Quarter of 2022

By Vickie Halstead RN

CHIC, the Canine Health and Information Center [www.caninehealthinfo.org](http://www.caninehealthinfo.org) is a centralized database that is sponsored by the Canine Health Foundation (CHF) and the Orthopedic Foundation for Animals (OFA). To obtain a CHIC number the dog must have **completed** the tests that BFCA requires (hips, eyes, patellas). If the Bichon passes the tests, that dog gets a CHIC number. If the Bichon does not pass the tests the owner must agree to release the results, and that dog also gets a CHIC number. A CHIC number therefore means that the breeder/owner **completed** the required tests at some point in time, and shared the information with the public. A CHIC number can never be revoked. **Currently we are at the 14-year mark since BFCA joined the CHIC program!!**
